This weekend I have come to believe the affirmations I have been saying, I AM LOVE! I am grateful that all that has happened in my life has brought me to this weekend, this soft place to fall called Ravenheart Farms. *Katherine Painchaud*

Words cannot express the feelings I have about this weekend - I truly feel as if my life will never be the same . . . *Mindy Singerman*

I learned that I can still have pain and grief, but use it for power, when Patrick helped with the words at the trust fall; I am power! What Patrick said about me made me feel so strong! *Lisa Seibel*

The exercises were phenomenal and the permission to be just who I am, was just what I needed. I connected with my mother, who invited me, in a way I never had before. *Jonathan Enderica*

The sweatlodge was awesome! I have never felt this much like a family with a group of people who I previously didn't know. *Janet Giles*

What I loved most was the love and kindness that Carol is and gives, the natural setting, and learning to be silent. *Belinda Hernandez*
