This weekend I have come to believe the affirmations I have been saying. I AM LOVE! I am grateful that all that has happened in my life has brought me to this weekend, this soft place to fall called Ravenheart Farms.  
*Katherine Painchaud*

What a Blessing being together with such a compassionate group of loving people, horses, dogs and land.  
*The late and loving Lorraine Boucher*

I feel that I have been accelerated to top speed of discovery of myself and the universe. I felt so much power in each ceremony while in the sweat lodge especially the giving away round...wow!!  
*Kelly Painter*

I found myself [this week] seeing so much beauty in the people I was interacting with. I was giggly & moved by the humanity in it. I am truly grateful for experiencing the Primal Fire with you all.  
*Jean-Guy LeBlanc*

For days after arriving home my mind/body continued to float in the rapture of it all. Looking forward to another primal fire next year. Love to all.  
*Don Shine*

In all of my years, I have never felt as safe as I did with you all! Thank you for allowing me to feel free and to express myself without any judgment, only acceptance and love. It is quite impossible for me to describe in words to you what this Primal Fire weekend has done for me!
